2019

SAVWA aims to be a community based, volunteer membership driven, people focused, self-sustaining and development oriented organisation which is youth centred and gender sensitive.

## OUR MISSION

The South Africa Volunteer Work Camp Association (SAVWA) will contribute towards the development of South African communities both urban and rural through local, national, regional and international volunteers to work together towards the cultural, economic, socio-political well-being of young people and marginalised persons or groups through empowerment work camps programs and promotion of sustainable development.

The South Africa Volunteer Work Camp Association shall work and collaborate with other Volunteer driven organisation, Regional Work Camp Associations, and organisations.

South Africa Volunteer Work Camp Association is a member of Southern African Workcamp Cooperation, Partner with Service Civil International (SCI), Full member of Coordinating Committee for International Voluntary Service (CCIVS) and Guest Member of Alliance of European Voluntary Service Organisations.

## OUR OBJECTIVES

- To conduct voluntary based work camps and community driven development programmes in South Africa nationally throughout the year and regional and internationally throughout the world participation.
- To conduct capacity building training and skills development for young people.
- To facilitate youth exchange for volunteers North to South, South to North, and South to South volunteer driven work camps exchanges and developmental programmes.
- To establish a volunteer work camp site in South Africa self-sustaining and youth oriented establishment.

# 2019 PROGRAM

## 1. SAVWA AFTER SCHOOL PROGRAMME

OPEN FROM JANUARY 2019 TO DECEMBER 2019

Volunteers and community members will give support and guide learners (Primary & High School) academically in teaching English, Mathematics and other subjects. They will also ensure learners are adequately fed during the programme and establish the academic needs of the students and more appropriate interventions (Social, economic, community, family, religious etc.)

This is an exciting project as volunteers have opportunity to work with different communities and interact with children after school and have also the opportunity to be hosted by individual family members for their period of stay in the country.

## 9. SAVWA ENDANGERED WILDLIFE CONSERVATION PROJECT

SHORT TERM- 2019

The SAVWA Endangered Wildlife Conservation Project focuses on the conservation of wild life and their habitats. The programme will be a pilot project involving conservation under the Endangered Wildlife Trust. A strong scientific component adds authority to the dedicated efforts of the large network of field coordinators. Methods are shared, ideas communicated and solutions reached through a collaborative effort that combines science with practical efficiency in order to not only identify problem areas in the conservation of wildlife, but to also reach informed conclusions and act decisively in order to timeously address conservation threats.
